CALL TO ORDER

ACTION CALENDAR

1. Consider 22-Month Term Extension by City of Claremont, Contract #ML16053 (\$498,750 – Implement “Complete Streets” Project)

The City requests a 22-month term extension due to a longer than anticipated design process to address unanticipated community and regulatory feedback.

2. Consider One-Year Term Extension by County of Los Angeles, Department of Public Works, Contract #ML14023 (\$230,000 – Upgrade Westchester Maintenance Facility)

The County requests a one-year term extension due to unanticipated delays in obtaining Building Department approval of the HVAC design.

3. Consider One-Year Term Extension by County of Los Angeles, Department of Public Works, Contract #ML14024 (\$230,000 – Upgrade Baldwin Park Maintenance Facility)

The County requests a one-year term extension due to unanticipated delays in obtaining Building Department approval of the HVAC design.

4. Consider One-Year Term Extension by County of Los Angeles, Department of Public Works, Contract #ML14025 (\$300,000 – Install CNG Station in Malibu)
The County requests a one-year term extension due to longer than expected time needed for the Gas Company to connect the station to the meter. If the MSRC-TAC recommends the extension, staff recommends an additional five-year extension to allow for compliance with the five-year operational requirement.

5. Consider Modified Project Description by Los Angeles County Metropolitan Transportation Authority (Metro), Contract #MS18025 (proposed) (\$1,324,560 – Provide Special Bus and Train Service to Dodger Stadium)

Metro requests to modify the train service to be provided in support of “cross-town rivalry” games with the Los Angeles Angels of Anaheim. Because the games fall Friday through Sunday, Metro proposes the use of regular Metrolink service, rather than special service, for inbound riders on Friday, July 13. Metro further proposes that the special inbound service on July 14 and 15 will originate from Laguna Niguel rather than Oceanside. There are no changes proposed to the outbound service for any of the games.
