

**MOBILE SOURCE AIR POLLUTION REDUCTION REVIEW COMMITTEE (MSRC)
MEETING AGENDA**

Thursday, November 18, 2021 at 2:00 p.m.

Pursuant to Assembly Bill 361 the MSRC meeting will be held at 2:00 p.m. on Thursday, November 18, 2021 through a hybrid format of in-person attendance in the Dr. William A. Burke Auditorium at the South Coast AQMD Headquarters, 21865 Copley Drive, Diamond Bar, California, and/or virtual attendance via videoconferencing and by telephone.

Given health and safety concerns, auditorium seating availability may be limited and the meeting format may be changed to full remote. Please refer to the MSRC's website for information regarding the format of the meeting, updates if the meeting format is changed, and details on how to participate.

Proof of vaccination or a negative COVID test within 72 hours prior to the start of the meeting will be required for admittance into the auditorium.

Proof of COVID-19 Vaccination includes:

- COVID-19 Vaccination Record Card (issued by the Department of Health and Human Services Centers for Disease Control & Prevention or WHO Yellow Card1) which includes name of person vaccinated, type of vaccine provided and date doses administered); OR
- A photo of a vaccination card as a separate document; OR
- A photo of the vaccine card stored on a phone or electronic device; OR
- Documentation of vaccination from a healthcare provider; OR
- [Digital record](#) that includes a QR code that when scanned by a SMART Health Card reader displays to the reader: name, date of birth, vaccine dates and vaccine type

REMINDER: Mask wearing is required indoors during the meeting.

MSRC Committee Members

MSRC Chair

Larry McCallon
Member, Board of Directors, SBCTA
Representing San Bernardino County Transportation Authority
Alternate: John Valdivia, Board of Directors, SBCTA

MSRC Vice-Chair

Brian Berkson
Commissioner, RCTC
Representing Riverside County Transportation Commission
Alternate: Linda Krupa, Commissioner, RCTC

Tim Shaw
Member, Board of Directors, OCTA
Representing Orange County Transportation Authority
Alternate: Lisa Bartlett, Member, OCTA Board of Directors

Sydney Vergis, CARB Staff
Representing California Air Resources Board
Alternate: Lucina Negrete, CARB Staff

Ben Benoit
Member, SCAQMD Governing Board
Representing South Coast Air Quality Management District

John Dutrey
Member, Board of Directors, SBCTA
Representing Regional Rideshare Agency
Alternate: Ray Marquez, Member, SBCTA Board of Directors

Steve Veres, Member, LACCD Board of Trustees
Representing Los Angeles County MTA
Alternate: Mark Yamarone, MTA Staff

Jed Leano
Member, SCAG Regional Council
Representing Southern California Association of Governments
Alternate: Mark Henderson, Member, SCAG Regional Council

Members of the public may address this body concerning any agenda item before or during consideration of that item (Gov't Code Section 54954.3(a)). If you wish to comment on an agenda item or during the public comment period, please "raise your hand" on Zoom or dial *9 on your phone. All agendas for regular meetings are posted at District Headquarters, 21865 Copley Drive, Diamond Bar, California, at least 72 hours in advance of the regular meeting. Speakers may be limited to three (3) minutes each.

CALL TO ORDER

- Roll Call

1. **Comply with AB 361 Requirements to Allow MSRC to Continue to Meet Remotely** **Baird**

This action is to adopt the attached resolution finding that the MSRC: 1) has reconsidered the circumstances of the state of emergency; and 2) state or local officials continue to impose or recommend measures to promote social distancing. See Cal. Gov't Code section 54953(e)(3).

Opening Comments: Larry McCallon, MSRC Chair
Other MSRC Members

STATUS REPORT

Clean Transportation Policy Update

Ravenstein

The Clean Transportation Policy Update provides information on key legislative and regulatory initiatives of potential interest to the MSRC. The report can be viewed at www.cleantransportationfunding.org.

CONSENT CALENDAR (Items 2 through 6)

Receive and Approve

2. **Consider Adoption of 2022 Meeting Schedules** **Vega**

Annually the MSRC considers a proposed meeting schedule for the coming year. The schedule continues with meetings on the first and third Thursdays, respectively for the MSRC-TAC and MSRC, with three exceptions. Staff recommends the MSRC-TAC meetings in January and December be held on the second Thursday of the month to avoid holiday conflicts. Staff further recommends that the MSRC be dark in July, similar to the South Coast AQMD Board and its committees.

Information Only - Receive and File

3. **MSRC Contracts Administrator's Report** **Ravenstein**

This report covers key issues addressed by MSRC staff, status of open contracts, and administrative scope changes from September 30 through October 27, 2021.

4. Financial Report on AB 2766 Discretionary Fund

Pathak

Financial Report for October 2021.

For Approval – As Recommended

5. Consider One-Year No-Cost Term Extension by City of Highland, Contract #ML16071 (\$264,500 – Implement a “Complete Streets” Pedestrian Access Project on Boulder Avenue)

Ravenstein

The City of Highland requests a one-year term extension due to delays primarily associated with approval of the federal grant funding, retirement of City staff and consultants, and Southern California Edison providing required designs. **THE MSRC-TAC UNANIMOUSLY RECOMMENDS APPROVAL**

6. Consider Approval of Revised Project List, Reallocation of Costs between Tasks, and 15-Month No-Cost Term Extension by Riverside County Transportation Commission (RCTC), Contract #MS16094 (\$1,909,241 – Implement Metrolink First Mile/Last Mile Mobility Strategies)

Ravenstein

RCTC was awarded funding to implement improvements at, and in the vicinity of, Riverside County Metrolink stations to encourage cyclist and pedestrian access to commuter rail. The original proposal provided basic framework with some specific details to be developed subsequently. Contract #MS16094 was executed to effectuate the award, and subsequently a Bicycle Storage Plan, Station Active Transportation Access Plan, and Vicinity Active Transportation Plan were submitted and approved by staff. Due to shifts in priorities and some projects costing less than originally estimated, RCTC now requests changes to some of the projects identified in the Plans and reallocation of \$600,000 from bicycle storage projects and \$223,235 from vicinity improvements projects to station improvements projects. RCTC also requests a 15-month term extension because the Rustin Street sidewalk improvement may require approval by the California Public Utilities Commission due to its proximity to the rail line. **EXCEPT FOR AN ABSTENSION BY MEMBER CHAN, THE MSRC-TAC UNANIMOUSLY RECOMMENDS APPROVAL**

ACTION CALENDAR (Items 7 through 10)

FYs 2018-21 WORK PROGRAM

7. Consider Modifications to Voucher Incentive Program (VIP) Plus Up Partnership with South Coast AQMD Ravenstein

As an element of their FYs 2018-21 Work Program, the MSRC partnered with the South Coast AQMD for a VIP Plus Up Incentive. The baseline VIP offers incentives to encourage the replacement of older, higher-polluting vehicles with newer, lower-emission vehicles. The Plus Up offers an increased incentive to achieve additional surplus emission reductions. The MSRC originally set a sunset date of December 31, 2021 for their participation in VIP Plus Up. Due to the COVID-19 pandemic, the lead times for manufacture and delivery of the lower-emitting trucks have substantially increased. In September 2021, the MSRC-TAC was asked to consider a recommendation which would extend the deadline for the replacement vehicle delivery date to June 30, 2022. Additional information was brought forward by members at the September MSRC-TAC meeting, resulting in a recommendation to extend the deadlines for both scrappage of the original vehicle and delivery of the replacement vehicle to December 31, 2022, pending California Air Resources Board (CARB) approval. There was not a quorum for consideration of the item at the September 2021 MSRC meeting. Subsequently, CARB determined not to extend the scrappage deadline under VIP. South Coast AQMD has identified alternative funding under the Clean Fuels Program to take the place of the VIP funding for the Plus Up trucks. They request the MSRC to consider extending the sunset date of the Plus Up partnership, as well as extending the deadlines for scrappage and delivery of the replacement vehicle, to December 31, 2022. There would be no change in the MSRC's funding contributions. **EXCEPT FOR AN ABSTENSION BY ALTERNATE MEMBER NIKRAVAN, THE MSRC-TAC UNANIMOUSLY RECOMMENDS APPROVAL**

8. Consider MSRC-TAC Evaluation Panel's Recommendation for Technical Advisor Services for the MSRC Ravenstein

The MSRC approved release of Request for Proposals #P2022-05 for the solicitation of Technical Advisor Services for the MSRC, with a submission deadline of 2:00 p.m. on October 14, 2021. One proposal was received and scored by an MSRC-TAC Evaluation Panel. **THE MSRC-TAC UNANIMOUSLY RECOMMENDS AN INITIAL AWARD TO RAYMOND J. GORSKI IN AN AMOUNT NOT TO EXCEED \$385,700 FOR A TWO-YEAR PERIOD FROM JANUARY 1, 2022 THROUGH DECEMBER 31, 2023, WITH AN OPTION CLAUSE FOR A TWO-YEAR TERM EXTENSION**

9. Consider Southern California Associated Governments (SCAG) Recommended Project List under Last Mile Freight Program (LMFP)

Strelecki

As an element of their FYs 2018-21 Work Program, the MSRC allocated \$10,000,000 to partner with SCAG to implement their Last Mile Freight Program. The Last Mile category focuses on reducing emissions from transportation following departure from distribution centers. The MSRC has previously approved a draft Statement of Work which set the basic parameters for the partnership, as well as Program Guidelines. SCAG released the LMFP Call for Projects on May 13, 2021, with a submittal deadline of July 14, 2021. Due to significant expressions of interest and the program not being fully subscribed, SCAG re-released the Call for Projects on August 12, 2021. The final submittal deadline was October 6, 2021. The MSRC-TAC Last Mile Subcommittee has reviewed SCAG’s proposed project list for the \$10,000,000 allocation and recommended approval. The Subcommittee further recommended that additional projects be placed on the Contingency List as described in the staff report. **IN A 11 TO 3 VOTE AND ONE ABSTENSION, THE MSRC-TAC RECOMMENDS APPROVAL OF THE PROPOSED PROJECT LIST FOR THE \$10,000,000 ALLOCATION AND FURTHER RECOMMENDS THAT ADDITIONAL PROJECTS BE PLACED ON THE CONTINGENCY LIST AS DESCRIBED IN THE STAFF REPORT**

FYs 2021-24 WORK PROGRAM

10. Joint Retreat Review and Update on the FYs 2021-24 Work Program Development Process

Gorski/
Ravenstein

The MSRC and MSRC-TAC held their joint Retreat on October 17, 2021. The MSRC will review key outcomes of the Retreat and receive updates on current and planned MSRC-TAC and staff activities in the FYs 2021-24 Work Program Development Process, including a preliminary timeline and suggested administrative updates.

OTHER BUSINESS

11. **Any member of the committee, on his or her own initiative or in response to questions posed by the public, may ask a question for clarification, may make a brief announcement or report on his or her own activities, provide a reference to staff regarding factual information, request staff to report back at a subsequent meeting concerning any matter, or may take action to direct staff to place a matter of business on a future agenda. (Gov’t Code Section 54954.2)*

McCallon

PUBLIC COMMENT PERIOD - (Public Comment on Non-Agenda Items, Pursuant to Government Code Section 54954.3)

At the end of the regular meeting agenda, an opportunity is provided for the public to speak on any subject within the Committee’s authority that is not on the agenda. Speakers may be limited to three (3) minutes each.

ADJOURNMENT

NEXT MEETING: Date: December 16, 2021, 2:00 p.m., Location: TBD

Americans with Disabilities Act and Language Accessibility

Disability and language-related accommodations can be requested to allow participation in the MSRC Meeting. The agenda will be made available, upon request, in appropriate alternative formats to assist persons with a disability (Gov't Code Section 54954.2(a)). In addition, other documents may be requested in alternative formats and languages. Any disability or language-related accommodation must be requested as soon as practicable. Requests will be accommodated unless providing the accommodation would result in a fundamental alteration or undue burden to the District. Please contact Ms. Alejandra Vega at (909) 396-2264 from 7:00 a.m. to 5:30 p.m., Tuesday through Friday, or send the request to avega@aqmd.gov.

Pursuant to SB 343

All documents (i) constituting non-exempt public records, (ii) relating to an item on an agenda for a regular meeting, and (iii) having been distributed to at least a majority of the Committee after the Agenda is posted, are available by contacting Alejandra Vega at (909) 396-2264 or send the request to avega@aqmd.gov

Contacts: Cynthia Ravenstein, MSRC Contracts Administrator - (909) 396-3269
Ray Gorski, MSRC Technical Advisor – (909) 396-2479
Alejandra Vega, MSRC Administrative Liaison – (909) 396-2264

INSTRUCTIONS FOR ELECTRONIC PARTICIPATION

Instructions for Participating in a Virtual Meeting as an Attendee

As an attendee, you will have the opportunity to virtually raise your hand and provide public comment.

Before joining the call, please silence your other communication devices such as your cell or desk phone. This will prevent any feedback or interruptions during the meeting.

Please note: During the meeting, all participants will be placed on mute by the host. You will not be able to mute or unmute your lines manually.

After each agenda item, the Chair will announce public comment.

A countdown timer may be displayed on the screen for each public comment.

If interpretation is needed, more time will be allotted.

Once you raise your hand to provide public comment, your name will be added to the speaker list. Your name will be called when it is your turn to comment. The host will then unmute your line.

Directions for Video ZOOM on a DESKTOP/LAPTOP:

- If you would like to make a public comment, please click on the **“Raise Hand”** button on the bottom of the screen.
- This will signal to the host that you would like to provide a public comment and you will be added to the list.

Directions for Video Zoom on a SMARTPHONE:

- If you would like to make a public comment, please click on the **“Raise Hand”** button on the bottom of your screen.
- This will signal to the host that you would like to provide a public comment and you will be added to the list.

Directions for TELEPHONE line only:

- If you would like to make public comment, please **dial *9** on your keypad to signal that you would like to comment.

AGENDA ITEM #1

Comply with AB 361 Requirements to Allow MSRC
to Continue to Meet Remotely

MSRC Agenda Item No. 1

DATE: November 18, 2021

FROM: Daphne Hsu, Principal Deputy District Counsel

SUBJECT: Comply with AB 361 Requirements to Allow MSRC to Continue to Meet Remotely

SYNOPSIS: This action is to adopt the attached Resolution finding that the MSRC: 1) has reconsidered the circumstances of the state of emergency; and 2) state or local officials continue to impose or recommend measures to promote social distancing. See Cal. Gov't Code section 54953(e)(3).

RECOMMENDATION: Adopt the attached Resolution finding that the MSRC: 1) has reconsidered the circumstances of the state of emergency; and 2) state or local officials continue to impose or recommend measures to promote social distancing.

FINANCIAL IMPACTS: None

Background: Governor Newsom previously issued Executive Orders (EOs) N-29-20 and N-35-2 in March 2020, as a response to the public health crisis brought about by the COVID-19 pandemic. These EOs authorized local legislative bodies subject to the Ralph M. Brown Act to conduct meetings entirely via telephonic or other electronic means in lieu of requiring the physical presence of Board members or members of the public. On June 11, 2021 the Governor issued EO N-08-21, which continued suspension of the Brown Act's teleconferencing requirements, without requiring that members of the public be given the right to access all teleconference locations, through September 30, 2021, in anticipation of the State's proposed re-opening.

Assembly Bill 361, signed into law by Governor Newsom on September 16, 2021, amends the Brown Act and will stay in effect from October 1, 2021 until January 1, 2024. In part, AB 361 amends subparagraph (e) of section 54953 of the California Government Code to state that local agencies may continue to use teleconferencing without complying with the teleconferencing requirements of the Brown Act in any of the following circumstances:

- A. When the legislative body holds a meeting during a proclaimed state of emergency and state or local officials have imposed or recommended measures to propose social distancing;

- B. When the legislative body holds a meeting during a proclaimed state of emergency for the purpose of determining, by majority vote, whether as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees; or
- C. When the legislative body holds a meeting during a proclaimed state of emergency and has already determined, by majority vote, pursuant to subparagraph (B), that, as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees.

In the event of an ongoing proclaimed state of emergency, or where state or local officials have imposed or recommended measures to promote social distancing, in order to continue to utilize the teleconferencing measures set forth above, a legislative body must, no later than 30 days after teleconferencing for the first time pursuant to Government Code section 54953(e)(1), and every 30 days thereafter, make the following findings by majority vote:

- A. The legislative body has reconsidered the circumstances of the state of emergency.
- B. Any of the following circumstances exist:
 - i. The state of emergency continues to directly impact the ability of the members to meet safely in person; or
 - ii. State or local officials continue to impose or recommend measures to promote social distancing.

See Cal. Gov't Code section 54953(e)(1). Governor Newsom first declared a statewide emergency resulting from the COVID-19 pandemic on March 4, 2020. Furthermore, although the State no longer requires physical distancing, the MSRC meetings are generally held at the South Coast AQMD headquarters located in Diamond Bar, California, which is a city in Los Angeles County and both South Coast AQMD and the Los Angeles County Department of Public Health have recommended social distancing measures.

Recommendations: This action is to address the requirements of AB 361 to allow the MSRC to continue to meet remotely. The recommended action is to adopt the attached Resolution finding that the MSRC: 1) has reconsidered the circumstances of the state of emergency; and 2) state or local officials continue to impose or recommend measures to promote social distancing. See Cal. Gov't Code section 54953(e)(3).

RESOLUTION _____

1 **A RESOLUTION OF THE MOBILE SOURCE AIR POLLUTION REDUCTION REVIEW**
2 **COMMITTEE RECOGNIZING THE PROCLAMATION OF A STATE OF EMERGENCY BY**
3 **GOVERNOR NEWSOM ON MARCH 4, 2020 AND THAT THE COUNTY OF LOS ANGELES**
4 **CONTINUES TO RECOMMEND MEASURES TO PROMOTE SOCIAL DISTANCING; AND**
5 **AUTHORIZING FULLY OR PARTIALLY REMOTE TELECONFERENCE MEETINGS OF**
6 **THE MOBILE SOURCE AIR POLLUTION REDUCTION REVIEW COMMITTEE, THE**
7 **TECHNICAL ADVISORY COMMITTEE TO THE MOBILE SOURCE AIR POLLUTION**
8 **REDUCTION REVIEW COMMITTEE, AND THEIR COMMITTEES OR SUBCOMMITTEES,**
9 **INCLUDING ANY WORKING GROUP MEETINGS WHERE A QUORUM OF MEMBERS ARE**
10 **PRESENT, SUBJECT TO THE BROWN ACT, FOR THE PERIOD OF NOVEMBER 18, 2021**
11 **THROUGH DECEMBER 18, 2021 PURSUANT TO PROVISIONS OF THE BROWN ACT.**

12 **WHEREAS**, the Mobile Source Air Pollution Reduction Review Committee (MSRC) is committed
13 to preserving and nurturing public access and participation in all meetings subject to the provisions of the
14 Ralph M. Brown Act (Cal. Gov't Code §§ 54950 – 54963, hereafter Brown Act); and

15 **WHEREAS**, pursuant to the provisions of the Brown Act, all meetings of legislative bodies of the
16 MSRC, which include the MSRC, its MSRC Technical Advisory Committee (MSRC-TAC), all Brown Act
17 standing committees of the MSRC and MSRC-TAC ultimately reporting to the MSRC and MSRC-TAC,
18 and any working group meetings where a quorum of the MSRC or MSRC-TAC members are present,
19 (collectively, hereinafter, “legislative bodies”), are required to be open and public so that any member of
20 the public may attend, participate, and watch the MSRC’s legislative bodies conduct their business; and

21 **WHEREAS**, the Brown Act, Government Code section 54953(e), makes provisions for remote
22 teleconferencing participation in meetings by members of a legislative body, without compliance with the
23 requirements of Government Code section 54953(b)(3), subject to the existence of certain conditions; and

24 **WHEREAS**, a required condition is that a state of emergency has been declared by the Governor
25 pursuant to Government Code section 8625, proclaiming the existence of conditions of disaster or of
26 extreme peril to the safety of persons and property within the state caused by conditions as described in
27 Government Code section 8558; and

28 **WHEREAS**, on March 4, 2020 the Governor proclaimed a State of Emergency to exist in California
as a result of the threat of the novel coronavirus (COVID-19); and

WHEREAS, pursuant to Health & Safety Code section 44244, the MSRC and its MSRC-TAC are
to adopt or assist in the development of a work program that is to be submitted to the south coast district
board. The South Coast Air Quality Management District includes all of the County of Orange and portions

RESOLUTION _____

1 of the Counties of Los Angeles, Riverside, and San Bernardino as set forth in Health & Safety Code section
2 40410 and South Coast AQMD Rule 103; and

3 **WHEREAS**, the legislative bodies usually meet at the South Coast AQMD headquarters, which is
4 located in the County of Los Angeles; and

5 **WHEREAS**, it is further required that state or local officials have imposed or recommended
6 measures to promote social distancing, or, the legislative body meeting would present imminent risks to the
7 health and safety of attendees; and

8 **WHEREAS**, local and California public authorities still recommend measures promoting social
9 distancing and/or mask wearing indoors and in public gatherings as well as recommending compliance with
10 the latest advice issued by the Center for Disease Control (CDC) regarding same; and

11 **WHEREAS**, on October 12, 2021, the County of Los Angeles Department of Public Health issued
12 further guidance promoting such measures; and

13 **WHEREAS**, on June 23 and August 10, 2021, the South Coast AQMD issued further guidance
14 promoting such measures; and

15 **WHEREAS**, the spread of the Delta Variant of COVID-19 poses a continued risk to the health and
16 safety of members of the MSRC legislative bodies, support staff, as well as to any members of the general
17 public who attend such meetings in that unvaccinated or partially vaccinated persons are at high risk of
18 contracting this variant and even fully vaccinated persons can contract and potentially unknowingly spread
19 the variant; and

20 **WHEREAS**, the MSRC does hereby find that the legislative bodies of the MSRC shall conduct
21 their meetings without compliance with paragraph (3) of subdivision (b) of Government Code section
22 54953, as authorized by subdivision (e) of section 54953, and that such legislative bodies shall comply with
23 the requirements to provide the public with access to the meetings as prescribed in paragraph (2) of
24 subdivision (e) of section 54953; and

25 **WHEREAS**, the legislative bodies of the MSRC will continue to ensure access to their meetings
26 by making them available telephonically and via virtual access for both members of the legislative bodies
27 and the general public; and

28

RESOLUTION _____

1 **WHEREAS**, notice of meetings along with information regarding all methods which may be used
2 for public participation in such meetings will continue to be posted at the South Coast AQMD’s
3 headquarters, posted at any teleconference locations which are officially noticed on the agenda, posted on
4 both the MSRC and South Coast AQMD websites, provided to anyone who requests such information, and
5 clearly printed on any agendas produced for such meetings.

6 **NOW, THEREFORE, BE IT RESOLVED**, that the MSRC hereby finds that the highly
7 contagious nature of the Delta Variant of COVID-19 poses an imminent risk to large numbers of persons
8 meeting indoors in a single location; and

9 **BE IT FURTHER RESOLVED**, that the MSRC hereby finds that the Governor of California
10 issued a Proclamation of Emergency on March 4, 2020; and

11 **BE IT FURTHER RESOLVED**, that the MSRC hereby finds that local officials continue to
12 impose or recommend measures to promote social distancing in the South Coast AQMD’s jurisdiction and
13 where the South Coast AQMD’s headquarters is located; and

14 **BE IT FURTHER RESOLVED**, that the MSRC authorizes and directs staff to take all actions
15 necessary to carry out the intent and purpose of this Resolution including, conducting open and public
16 meetings in accordance with Government Code section 54953(e) and other applicable provisions of the
17 Brown Act; and

18 **BE IT FURTHER RESOLVED**, that this resolution shall take effect immediately upon adoption
19 and remain in effect until December 18, 2021 or until such time as the MSRC adopts a subsequent resolution
20 in accordance with Government Code section 54953(e)(3) to extend the time during which the legislative
21 bodies of the MSRC may continue to teleconference without strict compliance with paragraph 3 of
22 Government Code section 54953(b).

AGENDA ITEM #3

MSRC Contracts Administrator's Report

MSRC Agenda Item No. 3

DATE: November 18, 2021

FROM: Cynthia Ravenstein

SUBJECT: AB 2766 Contracts Administrator's Report

SYNOPSIS: This report covers key issues addressed by MSRC staff, status of open contracts, and administrative scope changes from September 30 to October 27, 2021.

RECOMMENDATION: Receive and file report

WORK PROGRAM IMPACT: None

Contract Execution Status

2018-21 Work Program

On April 5, 2019, the SCAQMD Governing Board approved an award under the Major Event Center Transportation Program. This contract is executed.

On September 6, 2019, the SCAQMD Governing Board approved an award under the Major Event Center Transportation Program. This contract is executed.

On December 6, 2019, the SCAQMD Governing Board approved an award under the Major Event Center Transportation Program. This contract is executed.

On September 4, 2020, the SCAQMD Governing Board approved an award under the Last Mile component of the MSRC's Regional Goods Movement Program. This contract is executed.

On April 2, 2021, the SCAQMD Governing Board approved five awards under the Zero and Near-Zero Emission Cargo Handling Equipment at Warehouse, Distribution and Intermodal Facilities in Riverside and San Bernardino Counties Program and ten awards under the Zero and Near-Zero Emission Trucking to Warehouse, Distribution and Intermodal Facilities in Riverside and San Bernardino Counties Program. These contracts are under development, undergoing internal review, with the prospective contractor for signature, or executed.

On June 4, 2021, the SCAQMD Governing Board approved an award under the Major Event Center Transportation Program. This contract is under development.

On August 6, 2021, the SCAQMD Governing Board approved an award under the Hydrogen Infrastructure Partnership Program. This contract is under development.

Work Program Status

Contract Status Reports for work program years with open and/or pending contracts are attached.

FY 2010-11 Work Program Contracts

One contract from this work program year is open; and 3 are in “Open/Complete” status, having completed all obligations except operations.

FY 2010-11 Invoices Paid

No invoices were paid during this period.

FY 2011-12 Work Program Contracts

4 contracts from this work program year are open, and 10 are in “Open/Complete” status. One contract closed during this period: Mike Diamond/Phace Management Services, Contract #MS12033 – Purchase 20 Medium-Heavy-Duty Vehicles.

FY 2011-12 Invoices Paid

No invoices were paid during this period.

FYs 2012-14 Work Program Contracts

9 contracts from this work program year are open, and 18 are in “Open/Complete” status. One contract moved into “Open/Complete” status during this period: Waste Resources, Contract #MS14079 – Install New Limited Access CNG Station. 5 contracts closed during this period: USA Waste of California, Contract #MS14041 – Install Limited Access CNG Station and Train Mechanics; Grand Central Recycling & Transfer, Contract #MS14042 – Expand Existing CNG Station; Upland Joint Unified School District, Contract #MS14053 – Expand Existing CNG Station; CR&R Incorporated, Contract #MS14081 – Expand Existing CNG Station and Modify Maintenance Facility; and US Air Conditioning Distributors, Contract #MS14084 – Expand Existing CNG Station.

FYs 2012-14 Invoices Paid

One invoice in the amount of \$175,000.00 was paid during this period.

FYs 2014-16 Work Program Contracts

26 contracts from this work program year are open, and 32 are in “Open/Complete” status. 3 contracts moved into “Open/Complete” status during this period: City of Pomona, Contract #ML16008 – Purchase 3 Medium-Duty and One Heavy-Duty Natural Gas Vehicles; City of Eastvale, Contract #ML16040 – Install EV Charging Infrastructure; and City of El Monte, Contract #ML16046 – Install EV Charging Infrastructure. 2 contracts closed during this period: San Bernardino County Transit Authority (SBCTA), Contract #MS16086 – Freeway Service Patrols; and SBCTA, Contract #MS16096 – Install EV Charging Infrastructure.

FYs 2014-16 Invoices Paid

2 invoices totaling \$581,158.85 were paid during this period.

FYs 2016-18 Work Program Contracts

86 contracts from this work program year are open, and 53 are in “Open/Complete” status. 6 contracts passed into “Open/Complete” status during this period: City of Calabasas, Contract #ML18034 – Install EV Charging Infrastructure; City of Santa Clarita, Contract #ML18090 –

Install EV Charging Infrastructure; City of Aliso Viejo, Contract #ML18128 – Purchase 2 Light-Duty ZEVs and Install EV Charging Infrastructure; City of Lake Forest, Contract #ML18130 – Install EV Charging Infrastructure; City of San Bernardino, Contract #MS18117 – Expand CNG Station and Train Mechanics; and County Sanitation Districts of Los Angeles County, Contract #MS18124 – Install New Limited Access CNG Station. 3 contracts closed during this period: City of Big Bear Lake, Contract #ML18088 – Install Bicycle Trail; City of Calimesa – Install Bicycle Lanes; and Geographics – Design, Host & Maintain MSRC Website.

FYs 2016-18 Invoices Paid

4 invoices totaling \$136,588.59 were paid during this period.

FYs 2018-21 Work Program Contracts

9 contracts from this work program year are open. One contract closed during this period: Orange County Transportation Authority, Contract #MS21003 – Provide Express Bus Service to the Orange County Fair.

2 invoices totaling \$3,538.35 were paid during this period.

Administrative Scope Changes

No administrative scope changes were initiated during the period from September 30 to October 27, 2021.

AGENDA ITEM #5

Contract Modification Request by
City of Highland

MSRC Agenda Item No. 5

DATE: November 18, 2021

FROM: Cynthia Ravenstein, MSRC Contracts Administrator

SUBJECT: One-Year Term Extension by City of Highland, Contract #ML16071

SYNOPSIS: The City requests a one-year term extension due delays primarily associated with approval of the federal grant funding, retirement of City staff and consultants, and Southern California Edison providing required designs, as part of the FYs 2014-16 Local Government Match Program.

FINANCIAL IMPACT: None

RECOMMENDATIONS: The MSRC-TAC reviewed the request and recommends approval

ATTACHMENTS: Contractor's letter requesting modification

DISCUSSION:

Contractor: **City of Highland**

Project Title: Implement "Complete Streets" Pedestrian Access Project on Boulder Avenue

MSRC Funding: \$264,500

Contract Term: May 5, 2017 to January 4, 2022

Current Request: One-year term extension

Previous Requests: Two-year term extension

Project Description: The City was awarded \$264,500 under the MSRC's FYs 2014-16 Local Government Match Program to implement the Boulder Avenue "Complete Streets" project, installing enhancements to encourage pedestrian and bicycle traffic along a two-mile segment of Boulder Avenue. Construction is approximately 30% complete, and nothing has been paid to date under this contract.

Previous Requests: The City indicated that the MSRC-funded project was part of a larger project which also includes signal synchronization, pavement rehabilitation, median curbs, and other improvements. The City's co-funding for the project as a whole comes from the federal Projects of National and Regional Significance program. As such, the City must follow the federal process for each phase of the work, including obtaining National Environmental Policy

Act clearance. These processes were taking longer than anticipated. In August 2018, the City requested, and the MSRC approved, a two-year term extension.

Contract Request: The City is currently indicating delays primarily associated with approval of the federal grant funding, retirement of City staff and consultants, and Southern California Edison providing required designs. They say that SCE's final design is expected in November 2021. The City requests a one-year term extension.

Recommendations: The MSRC-TAC reviewed the request and recommends approval.

21865 Copley Drive
Diamond Bar, CA 91765-4178

Subject: **Contract No. ML16071**
Request for 12-Month Extension
Boulder Avenue "Complete Street" Project

Dear Ms. Alfaro:

The City of Highland (City) hereby requests that the term of the subject contract be extended for a period of 12 months from January 4, 2022 to January 4, 2023. This request for extension is to allow the additional time needed to complete the following:

1. Construction which is approximately 31% complete.
2. Construction accounting and final reporting.
3. Public Outreach implementation.

The Covid-19 pandemic is the primary factor for delays with this project. The first delay was with obligation of Federal Projects of National and Regional Significance grant funds which did not occur until September 22, 2020. This process with Caltrans took 4 months. Secondly, the City's engineering division had several staff and consultants retire which prevented this project from being awarded by City Council until February 23, 2021. Next, the City's Contractor took two and half months to execute the contract. The City issued the notice to proceed with construction on June 1, 2021. Finally, Southern California Edison (SCE) has been delayed in providing the design of service feed points for street lighting being constructed by the project. The electrical subcontractor for the City's project has been suspended for two months until SCE completes their design. SCE has informed the City that they will provide us their design in November of 2021.

Thank you in advance for your consideration of the 12-month time extension request. Please do not hesitate to contact me at (909) 864-8732 ext. 254 or czamano@cityofhighland.org if you have any questions or require additional information.

AGENDA ITEM #6

Contract Revised Project List, Cost Reallocation and Term Extension by
Riverside County Transportation Commission

MSRC Agenda Item No. 6

DATE: November 18, 2021

FROM: Cynthia Ravenstein, MSRC Contracts Administrator

SUBJECT: Consider Approval of Revised Project List, Reallocation of Costs between Tasks, and 15-Month No-Cost Term Extension by Riverside County Transportation Commission (RCTC), Contract #MS16094

SYNOPSIS: RCTC was awarded funding to implement improvements at, and in the vicinity of, Riverside County Metrolink stations to encourage cyclist and pedestrian access to commuter rail. The original proposal provided basic framework with some specific details to be developed subsequently. Contract #MS16094 was executed to effectuate the award, and subsequently a Bicycle Storage Plan, Station Active Transportation Access Plan, and Vicinity Active Transportation Plan were submitted and approved by staff. Due to shifts in priorities and some projects costing less than originally estimated, RCTC now requests changes to some of the projects identified in the Plans and reallocation of \$600,000 from bicycle storage projects and \$223,235 from vicinity improvements projects to station improvements projects. RCTC also requests a 15-month term extension because the Rustin Street sidewalk improvement may require approval by the California Public Utilities Commission due to its proximity to the rail line, as part of the FYs 2014-16 Transportation Control Measure Partnership Program.

FINANCIAL IMPACT: No net change to contract value, MSRC funds allocated, or project co-funding. A total of \$823,235 in MSRC funds would be reallocated from the bicycle storage and vicinity improvements to station improvements projects.

RECOMMENDATIONS: The MSRC-TAC reviewed the request and recommends approval

ATTACHMENTS: Contractor's letter requesting modification

DISCUSSION:

Contractor: **Riverside County Transportation Commission**

Project Title: Metrolink First Mile/Last Mile Mobility Strategies
MSRC Funding: \$1,909,241
Contract Term: January 25, 2017 to January 24, 2022
Current Request: Revised project list, reallocation of costs between tasks and 15-month term extension
Previous Requests: None

Project Description: The MSRC awarded RCTC \$1,909,241 under the FYs 2014-16 Transportation Control Measure Partnership Program to implement improvements at, and in the vicinity of, Riverside County Metrolink stations to encourage cyclist and pedestrian access to commuter rail. The original proposal provided basic framework with some specific details to be developed subsequently. Contract #MS16094 was executed to effectuate the award, and subsequently a Bicycle Storage Plan, Station Active Transportation Access Plan, and Vicinity Active Transportation Plan were submitted and approved by staff. All bicycle storage projects, and the installation of the Commerce Street sidewalk in Downtown Riverside, are now complete. Nothing has been paid to date on this contract.

Contract Request: RCTC indicates that they were able to complete the bicycle storage projects for substantially less than originally estimated. The funds expended on those projects are proposed to be counted towards the co-funding for the contract. With some changes, station vicinity improvements are also projected to cost somewhat less than originally budgeted. On the other hand, projects in the station improvement category are now expected to cost considerably more than originally estimated.

RCTC requests approval of the revised project list shown in their attached request letter. RCTC further requests reallocation of \$600,000 from bicycle storage projects and \$223,235 from vicinity improvements projects to station improvements projects. Neither total MSRC funding nor RCTC's total co-funding would change.

Lastly, RCTC requests a 15-month term extension. The project was delayed because the First Mile/Last Mile Assessment and Plan took longer than anticipated and the COVID-19 pandemic caused a shift in project priorities. The extension is primarily needed to accommodate unforeseeable delays related to the Rustin Street sidewalk improvement that may require approval by the California Public Utilities Commission due to proximity to the rail line.

Recommendations: The MSRC-TAC reviewed the request and recommends approval.

VIA E-MAIL

Subject: Request for Transferring Funds between Improvement Categories and Time Extension for Contract No. MS16094 (Agreement No. 17-25-016-00) for First Mile/Last Mile Improvements

Dear Ms. Ravenstein:

The Riverside County Transportation Commission (RCTC) was awarded \$1.9 million for the First Mile/Last Mile Project under the County Transportation Commission Program (Contract No. MS16094). The proposal included the implementation of bicycle and pedestrian improvements for three categories: bicycle storage, station improvements, and vicinity improvements.

RCTC is seeking two requests related to this contract:

- 1) Approval of a revised cost breakdown and project list by improvement category. The proposed list (Attachment 1) of projects has resulted in changes to the estimated costs by category, namely due to the ability to leverage other grants that were used for the installation of the bicycle storage units. With the cost savings to the MSRC grant, we are requesting that the additional bicycle storage funds be reprogrammed to the other two categories, as shown in the following tables.

Original Cost Breakdown:

Purchase Category	Maximum AB2766 Discretionary Funds	Project Co-Funding	Total Cost
Install bicycle storage	\$600,000	\$200,000	\$800,000
Implement station pedestrian improvements	\$600,000	\$200,000	\$800,000
Implement station vicinity improvements	\$709,241	\$290,759	\$1,000,000
Totals	\$1,909,241	\$690,759	\$2,600,000

Proposed Cost Breakdown:

Purchase Category	Maximum AB2766 Discretionary Funds	Project Co-Funding	Total Cost
Install bicycle storage	\$0	\$175,050	\$175,050
Implement station pedestrian improvements	\$1,423,235	\$435,709	\$1,858,944
Implement station vicinity improvements	\$486,006	\$80,000	\$566,006
Totals	\$1,909,241	\$690,759	\$2,600,000

- 2) Approval of a 15-month extension to Contract No. MS16094, which is set to expire January 2022. The extension would set the contract expiration date to April 30, 2023. This project has experienced schedule delays because the First Mile/Last Mile Assessment and Plan took longer than anticipated and the Covid-19 pandemic caused a

shift in project priorities. Of the seven project improvements listed in Attachment 1, three have already been completed, and three will be completed in early 2022. The 15-month extension is needed primarily to accommodate unforeseeable delays related to the Rustin Street sidewalk improvement that may require approval by the California Public Utilities Commission due to the proximity to the rail line. The completion of this project is important to the overall network and would benefit more pedestrians as it is located near social service agencies and the university where pedestrians are active.

RCTC and partner agencies are making every effort to promote transit and active transportation as viable travel options. We appreciate the continued partnership with MSRC and your consideration to these requests. Should you have any questions regarding this project, please contact me at 951-529-5815 or lmoeluna@rctc.org.

Sincerely,

Lorelle Moe-Luna
Multimodal Director

AGENDA ITEM #7

Contract Modifications to Voucher Incentive Program (VIP)
Plus Up Partnership with South Coast AQMD

MSRC Agenda Item No. 7

- DATE:** November 18, 2021
- FROM:** Cynthia Ravenstein, MSRC Contracts Administrator
- SUBJECT:** Consider Modifications to Voucher Incentive Program (VIP) Plus Up Partnership with South Coast AQMD
- SYNOPSIS:** As an element of their FYs 2018-21 Work Program, the MSRC partnered with the South Coast AQMD for a VIP Plus Up Incentive. The baseline VIP offers incentives to encourage the replacement of older, higher-polluting vehicles with newer, lower-emission vehicles. The Plus Up offers an increased incentive to achieve additional surplus emission reductions. The MSRC originally set a sunset date of December 31, 2021 for their participation in VIP Plus Up. Due to the COVID-19 pandemic, the lead times for manufacture and delivery of the lower-emitting trucks have substantially increased. In September 2021, the MSRC-TAC was asked to consider a recommendation which would extend the deadline for the replacement vehicle delivery date to June 30, 2022. Additional information was brought forward by members at the September MSRC-TAC meeting, resulting in a recommendation to extend the deadlines for both scrappage of the original vehicle and delivery of the replacement vehicle to December 31, 2022, pending California Air Resources Board (CARB) approval. There was not a quorum for consideration of the item at the September 2021 MSRC meeting. Subsequently, CARB determined not to extend the scrappage deadline under VIP.
- RECOMMENDATION:** South Coast AQMD has identified alternative funding under the Clean Fuels Program to take the place of the VIP funding for the Plus Up trucks in order to assist small fleets under the VIP. They request the MSRC to consider extending the date for application acceptance under the Plus Up partnership to August 31, 2022, as well as extending the deadline for delivery of the replacement vehicle to December 31, 2023. The MSRC-TAC reviewed the situation and recommends approval of the proposed changes.
- FINANCIAL IMPACT:** If the MSRC approved the recommended actions, applications would continue to be accepted under the Plus Up Partnership

through August 31, 2022. Any funding not applied for by that date would revert to the AB 2766 Discretionary Fund. Funds to cover approved applications would continue to be reserved through March 31, 2024. There would be no change in the MSRC's funding contributions on a per-vehicle level.

Background: In April 2020, the MSRC allocated \$5,000,000 to partner with the South Coast AQMD and provide a Plus Up Incentive on their VIP Program, with a sunset date of December 31, 2021. Using funds provided by CARB, South Coast AQMD implements the VIP to encourage the replacement of older, higher-polluting vehicles with newer, lower-emission vehicles which meet the 0.20 g/bhp-hr NO_x standard. The program features a rapid response time and is limited to small fleets of 10 or fewer vehicles. With the Plus Up incentive, for those fleets willing to pursue the cleanest commercially available technologies certified at 0.02 g/bhp-hr NO_x or cleaner—generally alternative fuel at this time—MSRC funds are added to the amount of the voucher.

In April 2021, the MSRC approved midcourse adjustments to the VIP Plus Up. Given slow uptake during the 2020 round, the MSRC authorized an increase in the maximum combined incentive for Class 8 trucks from \$100,000 to \$125,000. The MSRC also authorized reallocating \$2,500,000 to address other immediate MSRC funding needs.

September 2, 2021 MSRC-TAC Consideration: Staff provided a brief update on the Program status. While interest had increased somewhat over 2020 levels, the VIP Plus Up continued to see slower uptake than anticipated. At that time, a total of seven approvals had been issued under the program. Two of the subject replacement trucks had been delivered and vouchers paid.

In addition to other factors which might contribute to small fleet hesitancy, due to the COVID-19 pandemic the lead times for manufacture and delivery of the lower-emitting trucks had substantially increased. This was true across the board for all manufacturers. In recognition of this situation, South Coast AQMD had sought approval from CARB to allow later delivery of the replacement trucks equipped with engines meeting the 0.02 g/bhp-hr NO_x standard. Under this proposal the applications would still need to be approved, and the original vehicles delivered for destruction, by CARB's original December 30, 2021 deadline. CARB approved for these replacement vehicles to be delivered by June 30, 2022. As outlined in the agenda, the MSRC-TAC was asked to consider a recommendation which would extend the deadline for the replacement vehicle delivery date to June 30, 2022.

At the September 2 MSRC-TAC meeting, members brought forward that additional requests had been made to CARB subsequent to the preparation of the MSRC-TAC agenda. Updated information from truck dealerships had led to concerns that a delivery deadline of June 30, 2022 still might not provide sufficient time for new trucks to be delivered. Furthermore, retaining the scrapping deadline of December 30, 2021 would potentially leave fleets without a vehicle for several months. This resulted in an MSRC-TAC recommendation to extend the deadlines for both scrappage and delivery to December 31, 2022, pending CARB approval.

September 16, 2021 MSRC Consideration: There was not a quorum for consideration of the VIP Plus Up item at the September 16, 2021 MSRC meeting; thus, no action was taken.

Status Update: Subsequent to the September 16 MSRC meeting, CARB determined not to extend the deadline for scrapping existing trucks under VIP. While normally the MSRC-TAC's recommendation would have been brought forward at the October MSRC meeting, in this context, the recommendation was deemed moot.

In order to assist small fleets and continue to provide them incentives to achieve additional emission reductions, South Coast AQMD staff are proposing the use of an alternative funding source that is not bound by the same scrapping deadline to take the place of the VIP funding for the Plus Up trucks. An \$850,000 allocation from the Clean Fuels Fund for this purpose has been approved by the South Coast AQMD Board.

South Coast AQMD staff have also noted it has come to their attention that under the state Truck & Bus Regulation fleets may continue operating their older vehicles if delivery of their compliant vehicles is delayed by the manufacturer. Fleets claiming this exemption must have placed their new vehicle orders a minimum of four months prior to the applicable compliance date of the regulation and have paid a deposit on the vehicles. Consequently, a small fleet which both applies for funding under the Plus Up Program and places their new truck order prior to August 31, 2022, may request a compliance extension from CARB to continue operating their old truck until the new truck is ready to be delivered.

Manufacturer delays do not show signs of resolving in the near future. Meanwhile, South Coast AQMD staff indicate that participating VIP Plus Up dealerships have reported over 30 probable participants who would apply if the delivery deadline were extended. Based on the latest projections, they estimate that a new truck delivery deadline of December 31, 2023 should prove sufficient.

In summary, the MSRC is asked to:

- Recognize replacement of VIP funding with allocation from Clean Fuels Fund;
- Extend the date for application acceptance under the Plus Up partnership with South Coast AQMD to August 31, 2022; and
- Extending the deadline for delivery of the replacement vehicle to December 31, 2023.

Any funding not applied for by August 31, 2022 would revert to the AB 2766 Discretionary Fund. Allowing a 90-day period for payment processing following vehicle delivery, funds to cover approved applications would continue to be reserved through March 31, 2024. There would be no change in the MSRC's funding contributions on a per-vehicle level.

Current Recommendations: The MSRC-TAC reviewed the situation and recommends approval of the proposed changes.

AGENDA ITEM #8

Consider Recommendation for Technical Advisor Services for the MSRC

MSRC Agenda Item No. 8

- DATE:** November 18, 2021
- FROM:** Cynthia Ravenstein, MSRC Contracts Administrator on behalf of Technical Advisor Evaluation Panel
- SUBJECT:** Consider Recommendation for Technical Advisor Services for the MSRC
- SYNOPSIS:** The MSRC approved release of Request for Proposals #P2022-05 for the solicitation of Technical Advisor Services for the MSRC, with a submission deadline of 2:00 p.m. on October 14, 2021. One proposal was reviewed and scored by an MSRC-TAC Evaluation Panel.
- RECOMMENDATIONS:** The MSRC-TAC reviewed the recommendations of the Evaluation Panel and recommends an initial award to Raymond J. Gorski in an amount not to exceed \$385,700 for the period January 1, 2022 through December 31, 2023, with an option clause for a two-year term extension.
- FINANCIAL IMPACT:** The MSRC-TAC recommends that the MSRC pay for these services for the initial 24-month contract term of January 1, 2022, through December 31, 2023 as follows:
- 75% of the contract amount, or \$289,275, to be part of the FYs 2021-24 Work Program; and
 - 25% of the contract amount, or \$96,425, divided proportionally between the FYs 2021-22, 2022-23, and 2023-24 Administrative Budgets (\$24,106 from the FY 2021-22 Budget, \$48,213 from the FY 2022-23 Budget, and \$24,106 from the FY 2023-24 Budget).

BACKGROUND:

The MSRC retains an independent contractor to provide technical assistance in support of the AB 2766 Discretionary Fund Program. These tasks generally include preparing work program RFPs; evaluating proposed AB 2766 Discretionary Fund projects based on their viability, technical merits and cost effectiveness; monitoring contractors' technical performance; reviewing all final reports; keeping the MSRC and MSRC-TAC apprised of the latest technologies and scientific developments which may affect projects; and preparing the annual ARB-required report assessing the emissions benefits and cost effectiveness of AB 2766 Discretionary Fund projects. These services are funded through the AB 2766 Discretionary Fund.

Since the current Technical Advisor contract ends on December 31, 2021, the MSRC-TAC Administrative Subcommittee developed an RFP to re-bid for Technical Advisor services for a new two-year term, with an option for a two-year term extension. The MSRC approved release of RFP #P2022-05 for Technical Advisor Services for the MSRC at its August 2021 meeting, and the SCAQMD Board subsequently approved this recommendation on September 3, 2021.

OUTREACH:

The RFP was released on September 3, 2021, and posted the same day on both the MSRC’s and South Coast AQMD’s websites. The MSRC website sends notifications of solicitation postings to those who have subscribed to this service. In accordance with South Coast AQMD’s Procurement Policy and Procedure, a public notice advertising the RFP and inviting bids was published on two different days in the Los Angeles Times, the Orange County Register, the San Bernardino Sun, and Riverside County Press Enterprise newspapers. In addition, the RFP was advertised in the Desert Sun newspaper for expanded outreach in the Coachella Valley. Notice of the RFP was also e-mailed to the Black, Latino, Jewish, LGBT, Women’s and Asian Pacific Islander Legislative Caucuses and various minority chambers of commerce and business associations.

PROPOSALS RECEIVED:

Upon closing, one proposal was received in response to the RFP. An evaluation panel consisting of four MSRC-TAC members was formed; the proposals were individually scored and the Evaluation Panel met to discuss proposal merits and develop a final recommendation. A summary of the proposal and average score is as follows (see attachment for details of individual scores by evaluator and by criteria):

Consultant Name	Average Score
Raymond J. Gorski	97.6

Below is a brief summary of the merits and/or deficiencies of the proposal.

Raymond J. Gorski

This proposal was seen as a very good bargain overall. The proposal showed a thorough understanding of a wide variety of vehicle-related emissions reductions strategies in the South Coast Air District, including both technology-based (e.g. zero- and near-zero vehicles and a variety of fuel types) as well as other strategies (e.g. bicycles, shuttles, life-style changes) that reduce traffic in addition to emissions. It also demonstrated a strong understanding of the breadth and scope of the MSRC’s goals in addressing air quality and transportation with technology and demand-related solutions, the relationship between the MSRC and South Coast AQMD, and how multi-faceted the MSRC programs are. The proposal demonstrated the vast experience of the proposer in helping to develop successful work programs within the context of state and regional transportation-related regulations, plans and policies.

RECOMMENDATION:

The MSRC-TAC considered the recommendations of the Evaluation Panel and based on evaluation scores and the cost-effectiveness of the proposal, the MSRC-TAC recommends an initial award to Raymond J. Gorski in an amount not to exceed \$385,700 for the period January 1, 2022 through December 31, 2023, with an option clause for a two-year term extension. Funding for the option clause will be considered when the MSRC considers extending the option. Funding for the initial 24-month term will be divided 75% to Work Programs and 25% to Administrative Budgets, as follows:

- 75% of the contract amount, or \$289,275, to be part of the FYs 2021-24 Work Program; and
- 25% of the contract amount, or \$96,425, divided proportionally between the FYs 2021-22, 2022-23, and 2023-24 Administrative Budgets (\$24,106 from the FY 2021-22 Budget, \$48,213 from the FY 2022-23 Budget, and \$24,106 from the FY 2023-24 Budget).

AGENDA ITEM #9

Consider Southern California Association of Governments
Recommended Project List under Last Mile Freight Program

MSRC Agenda Item No. 9

DATE: November 18, 2021

FROM: Ray Gorski, on behalf of the Last Mile Subcommittee

SUBJECT: Last Mile Subcommittee Funding Recommendations: SCAG Last Mile Freight Program

SYNOPSIS: As an element of their FYs 2018-'21 Work Program, the MSRC awarded \$10,000,000 to the Southern California Association of Governments (SCAG) for the implementation of a Last Mile Freight Program (LMFP). This Program sought zero and near-zero emission vehicle and infrastructure projects that support the last leg of goods movement transportation within the South Coast Region.

SCAG released the LMFP Call for Projects on May 10, 2021, with a submittal deadline of July 14, 2021. Due to significant expressions of interest and the program not being fully subscribed, SCAG re-released the Call for Projects on August 12, 2021. The final submittal deadline was October 6, 2021. The MSRC-TAC Last Mile Subcommittee has reviewed SCAG's proposed project list for the \$10,000,000 allocation and recommends approval. The Subcommittee further recommends that additional projects be placed on the Contingency List as described in the staff report.

WORK PROGRAM IMPACT: The MSRC awarded \$10M in FY 2018-'21 Discretionary Funds to SCAG to implement the Last Mile Freight Program. Funding for any contingency list projects above the currently allocated \$10.0M would be appropriated from the MSRC FY 2018-'21 Work Program unallocated budget.

Discussion: As an element of their FY 2018-'21 Work Program, the MSRC awarded the Southern California Association of Governments (SCAG) \$10M to implement a Last Mile Freight Program. The purpose of this program is to target reductions in criteria air pollutants associated with the

last segment of goods movement transportation – the last leg between the distribution center and final destination.

SCAG developed Program Guidelines that were reviewed and approved by the MSRC. Key elements of the Program Guidelines include:

- A maximum per project funding award of \$5M;
- A requirement that project co-funding be a minimum of 50% of the total project cost;
- A small/medium-size business funding target of \$3,000,000 total;
- A geographic funding target of \$1,250,000 minimum per county.

A Call for Projects was issued on May 10, 2021. The Call for Projects delineated the Program Goals, Eligibility Requirements, Evaluation Criteria, and submittal instructions using the online application submittal templates. Eligible projects included:

- Zero and near-zero medium and heavy-duty vehicles;
- Zero and near-zero medium and heavy-duty trailer equipment supporting transportation logistics services from business to business and equipment for local facilities serving residents and businesses; and
- Supporting infrastructure, including on and off-site refueling or recharging depots.

Additionally, all eligible projects are required to operate within the South Coast AQMD jurisdiction, remain operational for a data collection and reporting period of six months, and be completed no later than June 30, 2023, including the mandatory six-month operational period.

Due to ongoing supply chain issues and impacts on vehicle delivery schedules, it is foreseeable that the June 30, 2023, deadline might not be achievable for all fleets recommended for a funding award. Any extension of the current June 30, 2023, deadline will require a modification to the Contract between MSRC/SCAQMD and SCAG.

Projects were evaluated relative to three principal evaluation criteria:

- Project Summary (30 points)
- Project Readiness & Implementation (30 points)
- Funding Request & Cost-Effectiveness (40 points)

A Review Panel comprised of SCAG staff, with representation from the MSRC-TAC, evaluated and scored each proposal per the criteria listed above. Each project was assigned a score and ranked in order.

To attract a diverse array of project applicants and to encourage participation across the four counties within the South Coast jurisdiction, SCAG staff in coordination with the MSRC engaged

in a multi-faceted outreach process. Outreach activities included a virtual workshop convened on May 18, 2021, email announcements and outreach to public and private entities, and targeted communication with business and trade associations.

The LMFP program closed on July 14, 2021. A total of 26 applications were received requesting a total of \$8,310,552.

The Review Panel recommendations were presented to the MSRC-TAC Last Mile Subcommittee on August 17, 2021. The Last Mile Subcommittee reviewed the project findings and funding recommendations and took an action to recommend the following projects to the MSRC-TAC, as shown below in Table 1, totaling \$8,310,552:

Table 1 – Initial Funding Recommendations Per SCAG Review Panel with Approval of MSRC-TAC Last Mile Subcommittee

Business Size	Project Title & Business Name	Project Rank	Project Score	Award Funds	Cumulative Award Funds Total
LMFP Phase 1: Initial Call-for-Projects					
Large	Accelerating Zero Emissions Last Mile Freight in the South Coast Air Basin /Quality Custom Distribution	1	84	\$4,184,000	\$4,184,000
Large	Franklin HES / Heritage Environmental Services LLC	2	80	\$2,091,952	\$6,275,952
Small	Independent Owner-Operator	3	68	\$70,000	\$6,345,952
Small	Independent Owner-Operator	4	67	\$77,500	\$6,423,452
Small	Independent Owner-Operator	5	66	\$77,500	\$6,500,952
Small	Independent Owner-Operator	5	66	\$387,500	\$6,888,452
Small	Independent Owner-Operator	7	65	\$77,500	\$6,965,952
Small	Independent Owner-Operator	7	65	\$77,500	\$7,043,452
Small	Independent Owner-Operator	9	64	\$70,000	\$7,113,452

Small	Independent Owner-Operator	9	64	\$70,000	\$7,330,952
Small	Independent Owner-Operator	9	64	\$70,000	\$7,400,952
Small	Independent Owner-Operator	9	64	\$77,500	\$7,478,452
Small	Independent Owner-Operator	9	64	\$70,000	\$7,548,452
Small	Independent Owner-Operator	16	63	\$62,100	\$7,610,552
Small	Independent Owner-Operator	17	62	\$70,000	\$7,680,552
Small	Independent Owner-Operator	17	62	\$70,000	\$7,750,552
Small	Independent Owner-Operator	17	62	\$70,000	\$7,820,552
Small	Independent Owner-Operator	17	62	\$70,000	\$7,890,552
Small	Independent Owner-Operator	17	62	\$70,000	\$7,960,552
Small	Independent Owner-Operator	17	62	\$70,000	\$8,030,552
Small	Independent Owner-Operator	23	61	\$70,000	\$8,100,552
Small	Independent Owner-Operator	23	61	\$70,000	\$8,170,552
Small	Independent Owner-Operator	25	60	\$70,000	\$8,240,552
Small	Independent Owner-Operator	25	60	\$70,000	\$8,310,552

As shown in Table 1, small business account for 24 out of 26 applications, with a total funding request of \$2,034,600.

At the close of the LMFP on July 14, 2021, a balance of \$1,689,448 remained. As a result of the unspent funds available, and the increasing level of interest expressed by fleets immediately prior to the closing date, SCAG reopened the Call for Projects on August 12, 2021. The closing date for this second round of LMFP funding was October 6, 2021.

The second round of LMFP funding resulted in a total of 14 additional funding applications. The total funding request under round 2 was \$38,238,630. Of this amount, small business enterprise applications accounted for five applications totaling \$15,999,446 in funding requests. All applications underwent the same evaluation and scoring process as was conducted under the first round.

The MSRC-TAC Last Mile Subcommittee was convened on October 20, 2021, to review and discuss the results of the second funding round under LMFP. The recommendation of the Review Panel was to fund one (1) additional project in the amount of \$1,689,448, as shown below in Table 2. The Last Mile Subcommittee voted by majority to recommend this additional project.

Table 2 – Recommended LMFP Award Under Second Opportunity

LMFP Phase 1: Re-Opened Call-for-Projects					
Small	WattEV HD Battery Electric Truck Deployment: Enabling Equitable Electrification / Watt EV*	1	86	\$1,689,448	\$10,000,000

As shown in Table 2, the recommended award of \$1,689,448 to WattEV results in a total recommended LMFP funding amount of \$10M. Note that the funding recommendation for WattEV is a partial award – the requested funding for this project was \$3.0M.

Last Mile Subcommittee Recommendation: The Last Mile Subcommittee reviewed and approved the funding recommendations submitted by the SCAG Review Panel. This includes a total of 27 projects totaling \$10M. The Last Mile Subcommittee recommends that the MSRC-TAC approve the funding awards as shown in Tables 1 and 2, above. This recommendation will achieve the following:

- Quality Custom Distribution will replace 30 diesel class 8 tractors with 30 zero-emission battery electric Volvo VNR tractors. The project will also include installation of sixteen 184 kW DC fast chargers and a microgrid to manage peak loads;
- Heritage Environmental Services will procure three heavy-duty zero emission vehicles, including one class 6 truck, one class 8 straight truck, and one class 8 tractor. All vehicles are manufactured by Lion Electric. In addition, the project will construct five (5) EVSE units;

- 24 owner-operators will replace existing diesel trucks with the Freightliner near-zero natural gas tractors. 23 applicants are replacing a single diesel tractor, with one applicant replacing five (5) diesel tractors; and
- WattEV will purchase on the order of eleven (11) Volvo battery electric class 8 trucks. WattEV has partnered with Total Transportation Services, Inc. and Penske and is implementing a Truck as a Service (TaaS) business model. As noted above, the original request from WattEV was for 20 zero-emission Volvo trucks in the amount of \$3.0M.

Contingency List: The second round of LMFP funding resulted in 14 applications seeking a total of \$38,238,630, of which the WattEV application is recommended for partial funding in the amount of \$1,689,448 under the \$10M funding availability. The remaining portion of WattEV and 13 additional project applications were placed on a Contingency List in the event additional funding is becomes available. The unfunded Contingency List amount is \$36,519,182.

All of the Contingency List projects underwent the evaluation and scoring process discussed herein, and all Contingency List projects were deemed meritorious by the Review Panel, meaning they are recommended for funding by SCAG should additional funding be available.

Table 3, below, shows the projects on the Contingency List.

Table 3 – Project Applications on Contingency List That Exceed Available \$10M Funding

Business Size	Project Title & Business Name	Project Rank	Project Score	Award Funds Requested	Cumulative Award Funds Requested Total
LMFP Phase 1: Re-Opened Call-for-Projects					
Small	WattEV HD Battery Electric Truck Deployment: Enabling Equitable Electrification / Watt EV*	1	86	\$1,310,552	\$1,310,552
Large	Good to the Last Dropoff – Sysco's Zero Emission Last Mile Freight Initiative / Sysco Corporation	2	85	\$3,557,500	\$4,868,052
Large	MHX Last-Mile Zero-Emission Trucking Project / MHX, LLC	3	84	\$3,165,628	\$8,033,680
Large	Penske Accelerated Electrification of Last Mile Freight Operations / Penske Logistics, LLC	4	83	\$790,786	\$8,824,466
Small	GLI Electrification / Gonzalez Logistics, Inc.	5	80	\$5,000,000	\$13,824,466
Small	Expanding Access and Scaling Electrification (EASE) for Small Fleets / Zeem Solutions	6	79	\$5,000,000	\$18,824,466

Large	West Group Logistics Near-Zero Truck Acquisition / West Group Logistics, LLC	8	78	\$1,750,850	\$25,575,316
Large	Fluid Truck Last Mile Freight Emission Reduction Project in the South Coast Air Basin / Fluid Truck Share	9	76	\$5,000,000	\$30,575,316
Large	LMFP Project / Navistar Inc.	10	75	\$609,420	\$31,184,736
Large	Zero Emission Nitrogen ("ZEN") Project / McLane Company, Inc.	10	75	\$1,225,000	\$32,409,736
Large	Vernon California HD NZE Deployment / UPS	10	75	\$1,110,000	\$33,519,736
Small	Independent Owner-Operator	13	69	\$62,000	\$33,581,736
Small	Project Chiru 150 / Blue Pacifica Logistics LLC	14	67	\$2,937,446	\$36,519,182

The remaining unallocated balance in the MSRC FY2018-'21 Work Program as of September 2021 is \$7,437,626. It is at the discretion of the MSRC as to whether this unallocated Work Program balance is used to address Contingency List projects or applied to a future year Work Program.

Mobile Source Air Pollution Reduction Review Committee

Last Mile Freight Program : Phase 1 Selected Projects & Contingency List

Scott Strolecki, Senior Transportation Planner
 Mobility Planning and Goods Movement Dept.
 November 18, 2021

www.scag.ca.gov

Last Mile Freight Program

SCAG is serving as the implementor for the last mile component of the MSRC Goods Movement Program

- Goal: Achieve cost-effective emissions reduction of criteria air pollutants from last mile freight operations

SCAG has established a **two-phased** approach as follows:

- **Phase 1:** call-for-projects, focusing on the purchase and commercial deployment of zero-emission or near-zero emission (ZE/NZE) heavy and/or medium duty on road trucks (including ZE/NZE equipment and supporting infrastructure) - **\$10 million**
- **Phase 2:** conduct robust outreach to expand Phase 1 projects and coordinate with both public and private sector stakeholders to deploy broader innovative technologies currently being demonstrated by leading last mile delivery companies, particularly in e-commerce use-cases - **\$5 million**

Phase 1 – Approach

Investment Thesis

- The Right Problem (s) at the Right Time
- Critical Barriers
- Measuring Success

Investment Impacts

- Long Term Impacts for Both Air Quality and Economy
- Last-Mile Cost Reduction Benefits
- Business Path Direction Change
- Transformation of Industry for the Region/Nation

Investment Targets

- Award Amount(s)
- Project Scalability
- Match/Cost Share
- Vehicle Procurement

Phase 1 – Goals

Phase 1 – Statement of Work

- Task I- Development of Program Guidelines/Issuance of Call-for-Projects.
- Task II- Screening and Selection of Projects.
- Task III- Project Implementation.
- Task IV – Evaluation and Report.

Phase 1 – Program Guidelines Award Information

TOTAL FUNDING

\$10,000,000
PROVIDED BY THE
MOBILE SOURCE
REDUCTION
REVIEW
COMMITTEE

FUNDING MAXIMUM

\$5,000,000
PER PROJECT

Phase 1 – Program Guidelines Eligibility Information

In order for the project to be eligible, applicant must meet the following requirements:

**LOCATION WITHIN
SCAQMD AIR BASIN**

**PROJECT MUST BE COMPLETED
BY JUNE 30, 2023- INCLUDING
MANDATORY SIX MONTH
OPERATIONAL PERIOD**

**PROJECT MUST BE
OPERATIONAL FOR SIX
MONTHS**

**CLEAR LINKAGE BETWEEN
PROJECT AND AIR QUALITY
IMPROVEMENT**

7

Phase 1 – Program Guidelines Evaluation Criteria

Project Summary (30 points)

- Clear advancement of emissions reductions
- Specifics of ZE/NZE technologies and commercial deployment
- Innovative with competitive advantages over conventional technologies

Project Readiness and Implementation (30 points)

- Addresses critical barriers
- Qualifications/experience equate to successful completion of the project
- Aggressive but achievable schedule

Funding Request and Cost Effectiveness (40 points)

- Lower cost of operations/maintenance and/or equally competitive
- High benefit-cost score (NO_x and PM_{2.5} reduction/LMFP investment)
- Match funding is documented/verifiable

8

Phase 1 – Selection Process

Review Panel

- SCAG/M SRC representation
- Primary purpose to review and rank applications independently based on approved Program Guidelines evaluation criteria
- Debrief meetings to make determinations

M SRC TAC Last Mile Subcommittee

- Comprised of members from the M SRC TAC to specifically convene on last mile program needs
- Primary purpose to recommend determinations from the Review Panel for policy committee consideration

SCAG/M SRC Policy Committee Meetings

- Includes SCAG TC/RC and M SRC TAC/M SRC
- Primary purpose to consider recommendations for approval

9

Phase 1 – Call-for-Projects

Initial Call-for-Projects

- May 10, 2021 – July 14, 2021
- May 18, 2021, Call-for-Projects Application Workshop
- Outreach efforts
- 26 applications received
- Total funding award request - \$8.3 million

Re-Opened Call-for-Projects

- August 12, 2021 – October 6, 2021
- Outreach efforts
- 14 applications received
- Total funding award request - \$38.2 million

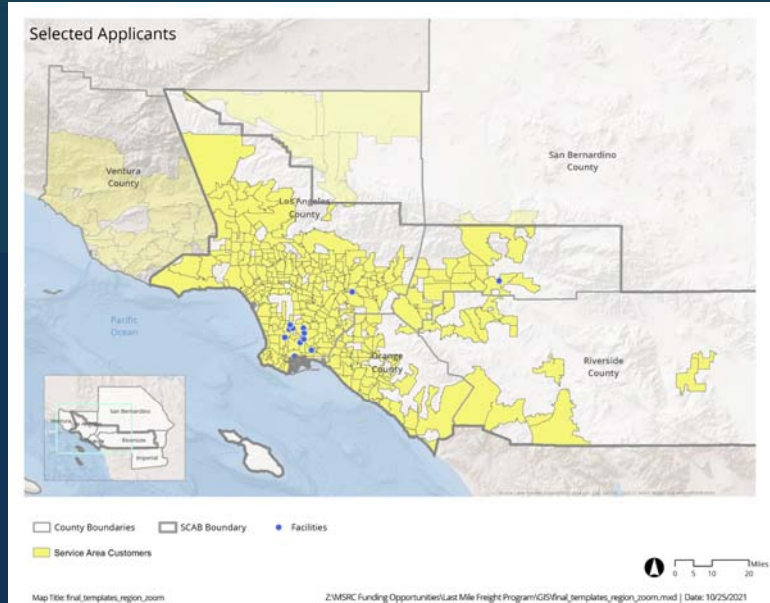

10

Phase 1 – Selected Projects and Contingency List

- Selected Projects
 - 26 totaling \$10 million in funding award
 - BEV/NG projects
 - Geographic diversity throughout air basin
- Contingency List
 - 14 projects included
 - All meritoribus projects

Project Profile: Accelerating Zero Emissions Last Mile Freight In the South Coast Air Basin – Quality Custom Distribution – \$4.2 million requested / \$20.6 million project total

- QCD operates 70 delivery vehicles serving commercial accounts such as Starbucks and Chick-Fil-A
- Project will serve Los Angeles and Orange County
- Will replace 30 Class 8 heavy duty diesel trucks with Volvo VNR electric tractors
- Will install 16 184 kW DC fast chargers
- QCD will construct a microgrid that will manage charging, levels demand and peaks, and powers QCD's entire operation during public safety power shutoffs

Project Profile: Franklin_HES – Heritage Environmental Services LLC – \$2.1 million requested / \$4.2 million project total

- Heritage Environmental Services (HES) is a privately-held business, focusing on waste management solutions
- HES serves customers in Los Angeles, Orange, Riverside, and San Bernardino
- HES will partner with Lion Electric to procure three vehicles: one Class 6 box truck, one Class 8 straight truck, and one Class 8 tractor truck
- Will install five chargers: Three Charge Max 180kW, 2XCCS1, and two Powerchoice 175HP
- \$2.1 million cash match (50%)

13

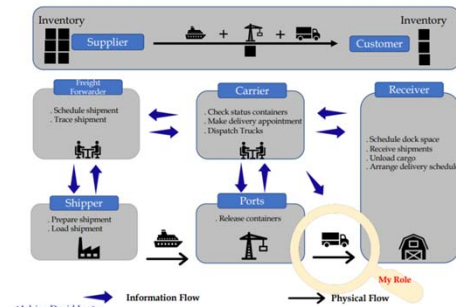

Project Profile: Replace Class 8a Old Diesel Trucks with NZE Trucks – \$2 million requested / \$6.7 million project total

- 24 owner-operators focusing on replacing Diesel Class 8a drayage trucks with Freightliner's natural gas model
- All applications submitted under the same format by one consultant
- 23 applicants are looking to replace a single vehicle – One applicant is looking to replace five vehicles
- Average amount of funding requested per vehicle – \$72.7K

High Level Map for Truck Driver

Project Profile: Enabling Equitable Electrification – WattEV – \$3 Million Requested / \$15.6 Million Project Total

- Will procure and deploy 20 Class 8 Volvo battery electric trucks and establish two public charging sites in Los Angeles and San Bernardino County
 - LMFP funds are requested for vehicle procurement exclusively
- Includes partnership with Total Transportation Services Inc. (TTSI) and Penske Truck Leasing
- Truck as a Service (TaaS) business model – combines equipment reliability and charging access at a fixed cost to customers based on daily usage and miles driven, or fixed price per scheduled routes
- Budgeted \$4.8 million of their own cash as match (31%) – Nearly 5:3 cash to grant funding
 - Other sources: CalMoyer (29% - Pending), HVIP (18% - Secured), & SCE Infrastructure (3% - Reserved)

15

Phase 1 – Selected Projects

- Award adjustment update

Business Size	Project Title & Business Name	Project Rank	Project Score	Award Funds	Cumulative Award Funds Total
LMFP Phase 1: Initial Call-for-Projects					
Large	Accelerating Zero Emissions Last Mile Freight in the South Coast Air Basin /Quality Custom Distribution	1	84	\$4,184,000	\$4,184,000
Large	Franklin HES / Heritage Environmental Services LLC	2	80	\$2,091,952	\$6,275,952

Small	Independent Owner-Operator	25	60	\$70,000	\$8,233,052
LMFP Phase 1: Re-Opened Call-for-Projects					
Small	WattEV HD Battery Electric Truck Deployment: Enabling Equitable Electrification / Watt EV*	1	86	\$1,766,948	\$10,000,000

16

Phase 1 – Contingency List

• MSRC FY 2018–2021 Work Program Remaining Unallocated Balance:
\$7,437,626

Business Size	Project Title & Business Name	Project Rank	Project Score	Award Funds Requested	Cumulative Award Funds Requested Total
LMFP Phase 1: Re-Opened Call-for-Projects					
Small	WattEV HD Battery Electric Truck Deployment: Enabling Equitable Electrification / Watt EV*	1	86	\$1,233,052	\$1,233,052
Large	Good to the Last Dropoff – Sysco's Zero Emission Last Mile Freight Initiative / Sysco Corporation	2	85	\$3,557,500	\$4,790,552
Large	MHX Last-Mile Zero-Emission Trucking Project / MHX, LLC	3	84	\$3,165,628	\$7,956,180
Large	Penske Accelerated Electrification of Last Mile Freight Operations / Penske Logistics, LLC	4	83	\$790,786	\$8,746,966
Small	GLI Electrification / Gonzalez Logistics, Inc.	5	80	\$5,000,000	\$13,746,966
Small	Expanding Access and Scaling Electrification (EASE) for Small Fleets / Zeem Solutions	6	79	\$5,000,000	\$18,746,966
Large	New Bern Buena Park Electrification Project / PepsiCo	6	79	\$5,000,000	\$23,746,966
Large	West Group Logistics Near-Zero Truck Acquisition / West Group Logistics, LLC	8	78	\$1,750,850	\$25,497,816
Large	Fluid Truck Last Mile Freight Emission Reduction Project in the South Coast Air Basin / Fluid Truck Share	9	76	\$5,000,000	\$30,497,816
Large	LMFP Project / Navistar Inc.	10	75	\$609,420	\$31,107,236
Large	Zero Emission Nitrogen ("ZEN") Project / McLane Company, Inc.	10	75	\$1,225,000	\$32,332,236
Large	Vernon California HD NZE Deployment / UPS	10	75	\$1,110,000	\$33,442,236
Small	Independent Owner-Operator	13	69	\$62,000	\$33,504,236
Small	Project Chiru 150 / Blue Pacifica Logistics LLC	14	67	\$2,937,446	\$36,441,682

17

Mobile Source Air Pollution Reduction Review Committee Recommended Action

- Approve the Last Mile Freight Program Phase 1 Selected Projects to be awarded \$10 million; and that the Contingency List Projects be considered for award should additional funding become available through the Mobile Source Air Pollution Reduction Review Committee

18

AGENDA ITEM #11

2021-2022 Clean Fuels/Clean Technologies
Conference Calendar

Clean Fuels and Clean Technologies Conference Calendar for 2021 - 2022

November 2021

- Nov 4 Green California Schools & Community Colleges Summit, Pasadena, CA., Website: <https://10times.com/green-california-schools/reviews>
- Nov 7-10 BECC Behavior, Energy & Climate Change Conference, Virtual, Website: <https://beccconference.org/>
- Nov 19-28 LA Auto Show, Los Angeles, CA., Website: <https://laautoshow.com/>

December 2021

- Dec 7-9 Advanced Automotive Battery Conference In-Person/Virtual, San Diego, CA., Website: <https://www.advancedautobat.com/us/>

March 2022

- Mar 8-10 Air Quality Measurement Methods & Technology Conference, San Diego, CA., Website: https://www.awma.org/ev_calendar_day.asp?date=3/8/2022&eventid=213
- Mar 29-30 2022 Clean Tech Summit-Transitioning to a Low Carbon Economy, Chapel Hill, N.C., Website: <https://ie.unc.edu/clean-tech-corner/2022-clean-tech-summit/>
- Mar 30-31 ACI 10th Annual National Conference on Microgrids, Boston, MA. Website: <https://www.wplgroup.com/aci/event/us-national-microgrids-conference/>

April 2022

- Apr 6-7 Freight and Environment: Ports of Entry, Oakland, CA., Website: https://www.awma.org/ev_calendar_day.asp?date=2022-04-07&eventid=218

May 2022

- May 11-13 Air Sensors International Conference, Pasadena, CA., Website: <https://asic.aqrc.ucdavis.edu/>
- May 17-19 Center for Advancing Research in Transportation Emissions, Energy & Health (CARTEEH) Transportation Air Quality and Health Symposium, Riverside, CA., Website: <https://events.tti.tamu.edu/conference/2021-carteeh-symposium/>

For the latest updates on the listed conferences, please call the conference contact person directly
